PROFESSIONAL SUMMARY

Full-Stack Developer with 2+ years of experience building scalable web and mobile applications using Flutter, React, Django. Proven ability to own end-to-end product development, including system design, API development, and deployment in startup environments. Strong focus on performance optimization, clean architecture, and building reliable production systems.

SKILLS

Frontend	Flutter, React, Tailwind CSS
Backend	Django, Node.js, Express.js, Socket.IO
Databases	MongoDB, SQLite
Cloud & DevOps	Google Cloud Platform (Pub/Sub, Compute Engine, Cloud Scheduler), Deployment
Concepts	System Design, REST APIs, Debugging, Performance Optimization, Code Reviews

EXPERIENCE

CareEco Technologies Private Limited *Remote Senior Full-Stack Developer* July 2024 – Present

- Led development of a production-grade desktop application (Flutter + Django) used across 10+ medical stores, improving operational efficiency and reliability.
- Built a cross-platform desktop application using React and Tauri, deployed across 5+ stores for lightweight and high-performance usage.
- Designed and developed scalable backend systems using Django for API services, authentication, and real-time communication.
- Collaborated with leadership to align technical roadmap with business goals in a fast-paced startup environment.
- Managed task delegation and conducted code reviews for a 4–6 member engineering team.
- Optimized debugging and testing workflows, reducing production issues and improving release stability.
- Designed system architecture, handled deployments, and resolved client-side issues in production environments.

Full-Stack Developer Intern Jan 2024 – June 2024

- Built and maintained full-stack applications using Flutter and Django.
- Debugged, tested, and resolved issues to improve system reliability.
- Collaborated with senior developers on production features and deployments.

EDUCATION

B.Tech in Mechanical Engineering 2024
Motilal Nehru National Institute of Technology (MNNIT), India
GPA: 7.61

LEADERSHIP

- Led and mentored a team of 6+ interns, managing onboarding, task delegation, and code reviews.
